Dear Pastor and Church,

October-December 2022

Season's greetings from our family to yours! As I write this we are on a very short furlough stateside. We are visiting with family and friends, reporting to a few churches, and taking care of some business. We'll be returning to Thailand at the start of the new year. We would appreciate your prayers for our ministry, friends, as well as for the nation that we've grown to love dearly.

I've written to you before about a friend of mine named Oat. Oat started coming to the church each week to study English with me and has become a great friend over the last 2 years. After witnessing to Oat for months He agreed to do a weekly Bible Study with me. After several weeks of meeting, on October 19th, at around 9:20 AM EST Oat bowed His head and prayed to God for the very first time and accepted Jesus Christ as his Lord and Savior! I want to thank those of you who have prayed for Oat over the last several months. I wish you all could have sat there with this in that amazing moment when Jesus saved Him. Thank you for all your prayers and support that make it possible for us

to proclaim the gospel here in Thailand.

Over our first term in Thailand we have worked hard at learning the Thai language. This year has been monumental for us as Adam has been teaching the Bible lessons and devotions for the Soccer Outreach and English Outreach ministries using Thai. In October Adam was able to preach for the first time without a translator. We give God all the glory for enabling us to communicate the Word of God in Thai in so many different ways this past year. We're so thankful to the Lord this milestone was reached.

Both Bangjak and Bentai Baptist Church have multiple outreaches going on during December. Although we are missing being there this month we want to ask you to pray specifically for all the parties, events, special services, and fellowships that will be proclaiming the real reason for Christmas. Please pray for the workers, for new visitors, and for soft hearts as the joyful news of Jesus' birth is taught and preached in Thailand.

My family and I want you to know what a privilege and honor it is to represent you in the gospel ministry in Thailand. Thank you for all you've done to help us serve Jesus. We're asking the Lord to give you, your families, and your churches an amazing Thanksgiving, a very Merry Christmas, and an amazing New Year. God bless you as you serve Him!
